Thursday's Replenishment Bash

What marathon would be complete without plenty of fluids and electrolytes to help you reach the finish line. We invite you to join us after a grueling day of going the distance for a little fluid and electrolyte replenishment. From 7:00 pm until 12:00 am we will be serving keg beer and providing a cash bar in the Wichita Ballroom.

What marathon runner doesn't develop muscle pain and soreness? If your muscles are a little stiff and achy after a day of marathon activities we will also be providing a chance to limber up on the dance floor and relax to the therapeutic music.

If you are not into fluid & electrolyte replacement or limbering up on the dance floor, you can still join us for networking with your fellow therapists from across the state. See you there!!!!
