

HELP US CELEBRATE 65 YEARS OF AARC!

The American Association of Respiratory Care will be celebrating its 65th birthday this summer. As a way to wish them a happy birthday, we are challenging therapists across Kansas to enter a photo contest. Photos will need to include something that represents respiratory care in Kansas and the number "65".

Prizes will be awarded to the top 3 photos. Photos will be judged on creativity & theme. Entries must be emailed by March 15, 2012 midnight.

Photos should be sent to charity.clark@viachristi.org. By submitting a photo, contestants will be stating that the photo is their original product and gives KRCS the rights to publish the photo.

Entries will be posted on the KRCS website at www.kracs.org. Keep checking back to see all the fun photos.

A collage of photos submitted will be sent as a birthday card to the AARC.

Use your *imagination*. Your 65 might be mdis, aerochambers, or even your co-workers. Have **FUN!**
